## Jack Up Vessel Operations London Array Offshore Wind Farm

Date of Notice	12/05/2016
----------------	------------

**Please promulgate the following as a Notice to Mariners:**

Please be advised that DBB Group, on behalf of London Array Offshore Limited, will be undertaking essential maintenance works within the London Array Offshore Wind Farm from 15<sup>th</sup> May 2016.

### **Work Site**

The London Array Offshore Wind Farm is located approximately 20km from the Kent and Essex coasts in the outer Thames Estuary. The wind farm consists of 175 turbines delivering a capacity of 630MW. Two offshore substations export the generated electricity to shore based facilities from where it is distributed to the National Grid. The wind farm is located between two sandbanks, Long Sand and Kentish Knock and has varying water depths across the site ranging from 0 to 23m LAT.

**Figure 1: London Array Offshore Wind Farm Location**

**Vessel:**

Works conducted by DBB will be undertaken by the Jack Up Vessel “Wind Server” in conjunction with CTV “Seacat Reliance”.

Wind Server will remain on location for the duration of works whilst Seacat Reliance will mobilise from Harwich as required.

**Wind Server**

**Vessel Particulars**

Length WL – 79.3m

Beam – 32.3m

Draught - 4.9m

Call Sign – OWLB2

IMO - 9670793

**Seacat Reliance**

**Vessel Particulars**

Length OA – 21.1m

Beam – 7.4m

Draught - 1.2m

Call Sign – 2FMH3

MMSI - 235092439

**Operational Overview:**

Operations will include jack up and craning operations in the vicinity of turbine:  
K16 – 51°40.167'N 001°30.607'E

**Safety Zones & Site Restrictions:**

Throughout all maintenance works a 500m exclusion zone will be enforced around the Wind Server. Vessels operating in the area are advised not to approach without making contact.  
It should be noted that the vessel may move position or exit the wind farm without prior notification.

**Key Dates:**

Start date: 15/05/2016  
Estimated finish date: 20/05/2016

**Further Information:**

Should you require any further information regarding the above operations please do not hesitate to contact:-
